Scheduled Advanced Sales

- ❖ Assigned times only – all times will be honored
- ❖ Must be present at assigned time
 - Another dance parent cannot purchase tickets for you
- ❖ Time based on number of years at Jane's then random drawing within that time
- ❖ A maximum of ten tickets may be purchased
 - additional tickets may be purchased on the subsequent sale days

The first three nights of ticket sales are preferred sales for students and have assigned times. You do not have to purchase your tickets on these nights. However, as most people prefer to purchase their tickets early, we have found that this system helps to avoid a long wait and stress. We greatly appreciate your co-operation in coming at your assigned time as this makes scheduled advanced ticket sales run smoothly.

All Ticket Sales

- ❖ **ALL BALANCES DUE MUST BE PAID** before tickets can be purchased
 - Anyone with payments due will not be allowed to purchase tickets, **no exceptions.**
 - Please check with the office to make sure your account has been paid in full.
- ❖ A separate check must be written for tickets.
- ❖ Purchase 2 Main Show Tickets and receive one free ticket per student/family (students only)
- ❖ Mothers, you must work back stage either dress rehearsal or show night.
