- ❖ All students must be supervised at all times.
- ❖ Sign-up for Dress Rehearsal **or** Show to work backstage in the dressing rooms supervising and being responsible for your child's class.
  - Every year the mothers of each class divide into two groups, working one night and watching from the audience the other.
  - This makes our show run smoothly and enables each mother to see the show in its entirety one night.
  - Each mother is responsible to dress her own child both nights.
  - If you worked dress rehearsal last year consider working show night this year in order to give every mom a chance to watch show night. Check with the others in your child's class.

### **Students**

Students are permitted to quietly watch the rest of dress rehearsal after they have rehearsed their last number or you may leave.

**(NO COSTUMES IN AUDIENCE)**

**STUDENTS ARE NOT PERMITTED IN THE AUDIENCE SHOW NIGHT!**

**On Show Night, students must remain in the dressing rooms until they are called to line up for the grande finale which will be halfway through the second half.** Our Finale is the icing on the cake and every student is expected to participate.
